INVESTED FUNDS,

Upwards of ONE MILLION TWO HUNDRED THOUSAND Pounds Stg.

Assurers have the choice of two separate Classes of Assurance.

IN CLASS A. THE BONUSES are paid in Money to the Policy-holder himself, commencing AT AN EARLY STAGE OF THE POLICY.

An allocation of Profit in Cash is made every year in this class to all Policies of not less than five years' standing at the preceding Annual Balance, and each Policy-holder's share is applied in payment of his next Annual Premium. The Outlay required for the policies has thus, for many years been only from 62½ cts. to 75 cts. per \$1 of the premiums according to standing, and commencing with those due at the end of the sixth year. CASH PROFITS of more than £375,000 sterling have been distributed in this manner to the Policy-holders during their own lives.

IN CLASS B. THE BONUSES are unusually LARGE ADDITIONS to the SUM ASSURED, and may be exchanged for a MOST IMPORTANT PROVISION IN OLD AGE to the Policy-holder himself.

AT THE DIVISION for 5th December, 1865, the LARGE BONUS ADDITION of £4 per cent. on the sum Assured, was declared for every premium paid on each participating policy, and payable along with the Sum Assured, provided the Life attain the average expectation of persons at his age of entry. It is evident that at this rate of BONUS the SUM ASSURED will be more than DOUBLED in a comparatively short period.

But the Policy-holder has the option of exchanging these large Bonus Additions, when he reaches the average period of life, for an Equivalent in a

VALUABLE PROVISION FOR HIS OWN AFTER LIFE-TIME by a CASH PAYMENT or ANNUITY.

For Example, a Policy-holder for £1000, at age of 25, on his attaining the average period of persons of that age will at the rate of Bonus, have had an addition to his Assurance of £1,500, making the sum Assured £2,500 instead of £1000.

Or he may then exchange this large Bonus Addition for ONE CASH PAYMENT of about £1000 to himself.

Or he may exchange the Bonus Addition for an ANNUITY of about £102 payable during his life.

Such Exchange will in no respect affect the Sum Assured, which, as well as the right to future Bonuses, will remain intact for the Heirs or other purposes of the Policy-holder.

UNDER NO OTHER SYSTEM can anything like the same amount of benefits be obtained, whether as regards Increase of Sum Assured, or an equivalent in Cash Payment or Life Annuity.

An ASSURER during the current year in Class B. will receive, at next division ONE-FIFTH MORE BONUS than later Entrants—the difference being—probably so much as £40 on a £1000 Policy.

Inspector of Agencies,—JAMES B. M. CHIPMAN.

MONTREAL

PROSPECTUS
OF THE
CANADIAN DOMINION DIRECTORY
FOR 1870-71:

To which will be added the Provinces of Newfoundland and Prince Edward Island ;
TO BE PUBLISHED IN SEPTEMBER, 1870,
Provided a sufficient number of Subscribers and Advertisers can be obtained to cover cost of publication.

NEARLY twelve years have now elapsed since the appearance of the CANADA DIRECTORY FOR 1857-58. This work was honored with the unanimous approval of the Press, and of business men throughout the British American Provinces, and was most favorably received in the United States, Great Britain and Ireland, France, &c. From all quarters the Publisher received the most flattering assurances of the merit and usefulness of the work. The lapse of time has rendered this Directory of little value for business purposes, and of late years the urgent need for a NEW DIRECTORY FOR THE DOMINION OF CANADA has been repeatedly pressed upon the attention of the Subscriber. The expense of the former work, however, was very considerable, and the result was a serious loss to the Publisher. With the pecuniary sacrifice involved in the publication of the CANADA DIRECTORY FOR 1857-58, fresh in his recollection, it is only at the urgent solicitation of friends for whose opinion he entertains the highest respect, that the Subscriber has consented to make a new effort in the same direction. He will not, however, feel warranted in proceeding with the scheme of a DIRECTORY FOR THE DOMINION OF CANADA unless a support commensurate with the magnitude of the undertaking be accorded to him ; and this Prospectus is issued as a preliminary step to an appeal to the public to subscribe to the work. He proposes to make this appeal not only to the Canadian public, but to business men in the United States, Great Britain and Ireland, France, Germany, &c., from many of whom he has received communications on the subject.

In the event of sufficient encouragement, the Subscriber's Agents will commence early next Fall to take the Names of the Professional and Business Men, and of the principal Inhabitants in the Cities, Towns and Villages throughout the six Provinces, and to collect such information as may be suited to the pages of the Directory ; this they will continue to do until the work is complete. The large cities will be reserved to the latest possible moment, so that any changes which may have occurred, up to the time of going to press, may be included. To secure, as far as possible, the correctness of the Directory, two or three gentleman in each place will be solicited to revise the proof sheets containing information connected with the localities in which they reside. It may be stated that the matter for the Directory, will be put in type as fast as it is received from the Agents, and that *none of it will be printed off until the last place is taken*, so that corrections may be made up to within a few weeks of publication.

The Publisher believes it to be unnecessary, in this address to Business Men, to dwell at any length upon the necessity for the Directory which he proposes to publish ; but as one of the indications of the great difference that will arise between the present and the former Directory, it may be remarked that whereas the CANADA DIRECTORY FOR 1857-58 contained the names of only 1,339 places in Canada, the CANADIAN DOMINION DIRECTORY will contain the names of the principal Inhabitants of at least 3,500 places in the six Provinces ; and it need hardly be added, that the change even in those places described in the Canada Directory will be proportionately great.

The specimen pages which accompany this Prospectus will afford some idea of the plan and style of execution of the work. If enabled, by the liberal support of the public, to carry out the undertaking, it will be the aim of the Subscriber to render the Directory an indispensable companion to men of business throughout the Dominion of Canada,—and to houses in the United States, Great Britain and Ireland, France, Germany, &c., having transactions with this country. It will embrace much of value and interest to the immigrant and the traveller, and every effort will be used to make it a complete and reliable work.

THE IMPROVED TURKISH OR ROMAN BATH,

140 St. Monique, between Dorchester and Cathcart Streets, Montreal.

There are many kinds of Baths, but the above Bath is in its nature, peculiar and singular, and when rightly administered, produces results which cannot be obtained by any other:—

1st.—THE EFFECTS of this Bath are to cleanse and promote the healthful action of the skin, and the seven millions little perspiratory sewers or pores which open upon its surface, and carry off waste and effete matters from the system.

2nd.—TO PURIFY the blood by drawing off its impurities through the perspiration.

3rd.—TO EQUALIZE the circulation of the blood throughout the system, thus removing all local congestions of the head or internal organs.

4th.—TO SOOTHE and tranquilize the nervous system.

THE SPECIAL USES OF THIS BATH are to secure perfect cleanliness, to preserve the health, to prevent disease, and for its treatment a most invaluable agent, especially for the cure of Coughs, Colds, Rheumatism, Neuralgia, Intermittent Fever, Bilious Derangements, Scrofula, Bronchitis, Sciatica, Malarial Fever, Local Congestions, Inflammations, and Skin diseases.

This bath has justly been entitled the "Queen of Baths," and ours having been constructed with all the most modern improvements and with perfect regard to ventilation, and being under medical supervision, we trust it will meet with that patronage which it merits both as an invaluable remedial agent and also as a sanitary means.

TO SAW MILLOWNERS AND LUMBER MEN. THE BEST SHINGLE MILLS IN THE WORLD!

PATENTED 1867.

PATENTED 1867.

THE DOUBLE CARRIAGE SELF FEEDING MILL,

Capable of sawing from thirty to forty thousand Shingles per day.

No Saw Mill should be without one.

Great saving in working up waste lumber, ends of logs, &c., &c., which can be cut into first quality shingles at very little expense.

Fifteen per cent of the lumber saved by the thinness of the saw.

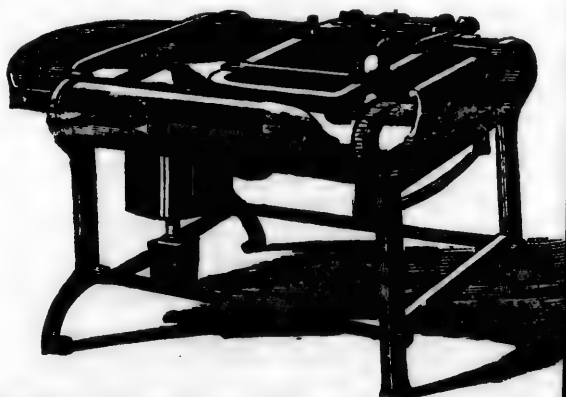

Shingles are sawed with the grain, nearly as smooth as if planed.

The single carriage hand feeding mill is easily managed, does not get out of repair, and makes from fifteen to twenty-five thousand shingles per day.

Our mills are built to secure the perfection of their work, not only when new, but for years to come; several of them are now in use in Ontario and Quebec, and make smoother, better, and more shingles, and give greater satisfaction, than any other machine in the United States or the Dominion.

To satisfy the public of the excellence of our mills we take pleasure in referring to the following gentlemen who have them in use:

PREFACE.

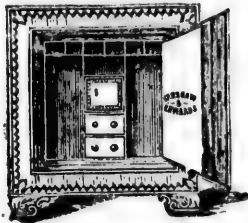

THE Publisher feels confident that in the MONTREAL DIRECTORY for 1869-70, the Public will find that the expense and labour bestowed upon it have not been thrown away, and that in accuracy it is at least equal to any Directory yet published in this country. A work of this kind, to be really valuable, must be, in all respects, thoroughly reliable, and with a full appreciation of this fact, the Publisher has taken every possible precaution, in order to insure the correctness of the information contained in the Directory. In addition to the LIST OF NAMES and the STREET DIRECTORY, the work comprises a large amount of MISCELLANEOUS information which has been kindly furnished by Government Officials and by Public and Private Companies.

The number of additional names and occupied houses as compared with those contained in last year's Directory may be accepted as evidence of the increasing population and growing wealth of the City.

Agents in the Principal Towns of Canada.

Agencies throughout England, Scotland, and Ireland; also in Nova Scotia, New Brunswick, Newfoundland; in the East and West Indies, the Cape of Good Hope, in Australia, including Tasmania and New Zealand, and Vancouver's Island.

THIS COMPANY was established in 1825, and is one of the largest and most successful of the Life Assurance Institutions of Great Britain. Its income exceeds now **\$3,500,000** per annum; and its Accumulated and Invested Funds amount to upwards of **\$20,000,000**. Its profits have been very large, and Persons assured have derived very valuable benefits from their connection with the Company. The STANDARD has also acquired a marked character for liberal management, being the first institution which relieved Policies of Assurance from restrictive and unnecessary conditions, and gave such contracts increased value and stability in other ways.

THE RATES OF THE COMPANY.

which have been calculated on data derived from the most authentic sources, will be found moderate, and, looking to the facilities and advantages afforded, they are undoubtedly more advantageous and less expensive than those of any other office transacting the same class of business.

DIVISION OF PROFITS.

The Company's profits are divided every five years—the next Division will take place on 15 November 1870.

As an Example of the success of the STANDARD COMPANY, it may be stated that a Policy opened in November, 1825, for £1,000, was increased in value in 1865 to £2,727 Sterling.

Those who do not wish to add the amount of the Bonus to the Sum Assured, are permitted to take the value of the addition in a present sum, or apply its value to the reduction of the Annual Premium for five years.

FOR EXAMPLE:

1. A person, resident in Canada, aged thirty, assured his life in 1847 for £1,000, and the Bonus Additions to the Policy amounted in 1864 to £310. Those additions may be surrendered for a present cash payment of £126 16s. 10d.; or by surrendering £291 12s. 4d. of the amount, he will be relieved of payment of his Premium for five years, the Company being liable, should he die during that period, to pay to his Heirs the original Sum Assured, and the balance of the Bonus Additions not surrendered—viz., £18 7s. 8d. This Policy will be entitled to future additions at the end of each period of five years the party survives.

2. A person, resident in India, aged forty-five, effected an assurance on his life in 1850 for £1,000, and the Bonus Additions to the Policy amounted in 1864 to £250. Those additions may be surrendered for a present cash payment of £150 4s. 2d.; or they may be applied to reduce the Annual Premium for the next five years, making the Premium £28 instead of £61 15s., being an annual reduction of £33 15s. This Policy will be entitled to future additions at the end of each period of five years the party survives.

HALF-CREDIT SYSTEM.

Half of the above rates will be accepted during the first 7 years—interest charged on the unpaid half at the rate of 5 per cent. per annum. The debt thus incurred may remain unliquidated, or be paid off at any time, at the option of the Assured. Under this system the Premiums and Interest are payable yearly.

Annual Premiums for Assurance of £100 Sterling, or \$486.67, payable on the attainment of the undermentioned Ages, or at Death, should that event happen previously—Without Profits.

Assurances effected on the different systems suggested and approved by a lengthened experience, so as to suit the means of every person desirous of taking out a Policy. Every information on the subject of Life Assurance will be given at the Company's Office, No. 47 Great St. James Street, Montreal, or at any of the Agencies throughout Canada.

GENERAL REGULATIONS AND CONDITIONS.

These have been framed with much care, with the view of making the Company's Policies available securities of the most perfect kind, and of allowing as much freedom to the Policyholder as may safely be granted. The Directors invite particular attention to the following :—

Claims paid at home or abroad.

Policies with Profits purchased at any time after payment of one year's Premium, and Policies without Profits for the whole term of life, after three years' Premiums have been paid.

Age and Interest admitted on the Company's Policies in all cases where proof is given satisfactory to the Directors.

Thirty days of grace allowed for payment of Premiums ; and in the event of death taking place during the currency of those days, before payment of the Premium, the Policy will be as valid and effectual as if it had been paid.

Assurances forfeited may be revived within thirteen months from the date on which the Premium became due under certain conditions.

In the case of Policies of five years' duration, upon which no debt exists, payment of Premium, with a fine, may be made at any time within one year after the days of grace expire ; and should the assured die during that period, the claim is binding on the Company, under deduction of Premium unpaid and fine.

No Policy of five years' duration shall be liable to any ground of challenge whatever, connected with the original documents on which the Assurance was granted, but the sum assured shall, subject to the payment of Premiums, and extra Premiums, if any, be payable in terms of the Policy, after proof of death to the satisfaction of the Directors.

Medical Fees paid by the Company.

Volunteers.—Persons assured are permitted, without payment of Extra Premium, to join Militia, Yeomanry, or Volunteer Corps, and to perform any military duties required of them in peace or war, in defence of their country.

Loans advanced on Mortgage of Policies, to the extent of the office value.

Mercantile Marine.—Risks of this nature generally undertaken at moderate rates.

Unconditional Assurance.—No restriction as to residence.—*The Directors of the STANDARD LIFE ASSURANCE COMPANY, being satisfied that it is unnecessary, in the case of Policies opened in the Dominion, to place a restriction on the residence of persons assured who are settled in life, and have no intention of proceeding to an unhealthy climate, are prepared to issue Policies without the usual Conditions as to residence in such cases.*

Claims settled in Montreal or at any of the Agencies in the Dominion—giving to this Company all the advantages of a local office, with the benefits of an extended business and connection otherwise.

PROSPECTUS
OF THE
CANADIAN DOMINION DIRECTORY

FOR 1870-71:

To which will be added the Provinces of Newfoundland and Prince Edward Island;

TO BE PUBLISHED IN SEPTEMBER, 1870,

Provided a sufficient number of Subscribers and Advertisers can be obtained to cover cost of publication.

NEARLY twelve years have now elapsed since the appearance of the CANADA DIRECTORY for 1857-58. This work was honored with the unanimous approval of the Press, and of business men throughout the British American Provinces, and was most favorably received in the United States, Great Britain and Ireland, France, &c. From all quarters the Publisher received the most flattering assurances of the merit and usefulness of the work. The lapse of time has rendered this Directory of little value for business purposes, and of late years the urgent need for a NEW DIRECTORY FOR THE DOMINION OF CANADA has been repeatedly pressed upon the attention of the Subscriber. The expense of the former work, however, was very considerable, and the result was a serious loss to the Publisher. With the pecuniary sacrifice involved in the publication of the CANADA DIRECTORY for 1857-58, fresh in his recollection, it is only at the urgent solicitation of friends for whose opinion he entertains the highest respect, that the Subscriber has consented to make a new effort in the same direction. He will not, however, feel warranted in proceeding with the scheme of a DIRECTORY FOR THE DOMINION OF CANADA unless a support commensurate with the magnitude of the undertaking be accorded to him; and this Prospectus is issued as a preliminary step to an appeal to the public to subscribe to the work. He proposes to make this appeal not only to the Canadian public, but to business men in the United States, Great Britain and Ireland, France, Germany, &c., from many of whom he has received communications on the subject.

In the event of sufficient encouragement, the Subscriber's Agents will commence early next Fall to take the Names of the Professional and Business Men, and of the principal Inhabitants in the Cities, Towns and Villages throughout the six Provinces, and to collect such information as may be suited to the pages of the Directory; this they will continue to do until the work is complete. The large cities will be reserved to the latest possible moment, so that any changes which may have occurred, up to the time of going to press, may be included. To secure, as far as possible, the correctness of the Directory, two or three gentlemen in each place will be solicited to revise the proof sheets containing information connected with the localities in which they reside. It may be stated that the matter for the Directory, will be put in type as fast as it is received from the Agents, and that *none of it will be printed off until the last place is taken*, so that corrections may be made up to within a few weeks of publication.

The Publisher believes it to be unnecessary, in this address to Business Men, to dwell at any length upon the necessity for the Directory which he proposes to publish; but as one of the indications of the great difference that will arise between the present and the former Directory, it may be remarked that whereas the CANADA DIRECTORY for 1857-58 contained the names of only 1,339 places in Canada, the CANADIAN DOMINION DIRECTORY will contain the names of the principal Inhabitants of at least 3,500 places in the six Provinces; and it need hardly be added, that the change even in those places described in the Canada Directory will be proportionately great.

The specimen pages which accompany this Prospectus will afford some idea of the plan and style of execution of the work. If enabled, by the liberal support of the public, to carry out the undertaking, it will be the aim of the Subscriber to render the Directory an indispensable companion to men of business throughout the Dominion of Canada,—and to houses in the United States, Great Britain and Ireland, France, Germany, &c., having transactions with this country. It will embrace much of value and interest to the immigrant and the traveller, and every effort will be used to make it a complete and reliable work.

JOHN LOVELL, Printer and Publisher.

MONTREAL, June, 1869.

MERCANTILE AGENCY.

Established in New York twenty-eight years
ago (on June 21st, 1841) for the promotion and
protection of trade; Union buildings, St Fran-
cois Xavier st., Montreal, C. E.

Our object, and that of our twenty three
branch and associate offices in the large cities of
the United States of America, Canada, and in
London, England, is to give information to sub-
scribers of the standing of those who purchase
goods on time, or otherwise require credit.

We are supported by fully three-fourths of
the merchants, bankers and manufacturers of
every community where our advantages are
known.

"This institution, established in the city
of New York over twenty-six years ago,
for the promotion and protection of trade,
was the first organized effort ever made
to relieve the merchants and manufactu-
rers of the Union from the insecurity of
credit operations, and to substitute for the
tardy, expensive, and unsatisfactory re-
sults of individual investigation, a system
that should be alike prompt, economical,
and reliable—whose purpose it should be
to supply (to subscribers only) all neces-
sary information as to the standing and
responsibility of merchants, traders, manu-
facturers, public companies, &c., through-
out the United States, their Territories,
and British North America."

Collections of past due debts particularly
attended to for all, whether subscribers to the
Agency or otherwise.

Terms of subscription will be made know-
at the office, where we shall be much pleased to
afford information as to the system pursued and
to give (free of expense) to those who contem-
plate joining the institution, a reasonable test
of the correctness of our reports.

Mails are also conveyed once each way every day, except Sunday, over the principal lines of common road; and once, twice, or three times per week over the less important lines of common road.

The postal communication between Ontario and Quebec and the Lower Provinces is six times per week each way *via* Quebec, and once per week each way by Steamers from Quebec to Pictou. Also three times per week each way in summer by steamers between Portland and St. John, N. B., and daily by way of Bangor, Maine and Calais to St. John, once per week by Steamer between Portland and Halifax.

The most speedy and direct postal route from Canada to almost every portion of the globe (with the exception of the Continent of North America, the Isthmus of Panama, and the West India Islands,) is by way of England, whence mails for the several British Colonies and Foreign Countries are regularly despatched.

The most speedy and direct postal route from Canada to all parts of the Continent of North America, the West Indies, Central and South America, is *via* New York.

Mails for England are despatched as follows: By Mail Steam Packets sailing from Quebec in summer and Portland in winter every Saturday; and from Halifax, Nova Scotia, every alternate Friday. By Cunard Steamer from New York every Wednesday.

The following post offices in the Dominion of Canada make up mails direct for certain post offices in the United Kingdom, viz.:

Mails for Bermuda and Newfoundland are made up at Halifax, Nova Scotia, when steamers sail once a month to Bermuda and St. Thomas, and once a fortnight to Newfoundland.

Rates of Postage on Letters.—The rate of postage on *pre-paid* Letters between any place in Canada and any other place in Canada, is regulated by weight, irrespective of distance, and is as follows:

On a letter not more than $\frac{1}{2}$ an oz.	3 cents
" more than $\frac{1}{2}$ oz. but not ex. 1 oz.	6 cts
" " 1 oz.	1 $\frac{1}{2}$ " 9 cts
" " 1 $\frac{1}{2}$ oz.	2 " 12 cts
" " 2 oz.	2 $\frac{1}{2}$ " 15 cts

And so on, 3 cents being charged for every additional $\frac{1}{2}$ oz., or fraction of half ounce.

If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to an additional rate.

Letters posted in and addressed to any place within the Dominion of Canada, if sent unpaid are liable to a charge of 5 cents per $\frac{1}{2}$ oz.

In applying the 5 per cent unpaid rate to letters passing within the Province posted paid or not fully prepaid—it should be observed that a letter passes either as prepaid at 3 cents per $\frac{1}{2}$ oz., on condition that the whole postage due be fully prepaid—or at 5 cents per $\frac{1}{2}$ oz. posted unpaid, or only partly prepaid—in the latter case the full rate at 5 cents per $\frac{1}{2}$ oz. will be marked and a deduction made therefrom of the amount which may have been paid—thus on an ounce letter prepaid 3 cents only—the rate will be 10 cents and crediting the 3 cents paid—7 cents will remain to be charged, and collected on delivery.

The object of the 5 cent unpaid rate, is to induce pre-payment and thereby relieve the Post Office from costs and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or be partially prepaid—and therefore the 5 cent rate applies to the whole charge upon the letter in both cases.

Rates of Postage on Newspapers—The law declares that for post office purposes a newspaper shall be held to mean a periodical published not less frequently than once in each week, and containing notices of passing events, that is to say, general news.

Although provision is made for forwarding newspapers through the post, it is not compulsory on any one to employ this mode of transmission; everything except letters may be sent in any other way.

A newspaper to pass at the undermentioned rates is subject to the following restrictions:

1. It must have no cover, or a cover open at both ends.
2. It must not contain any enclosure.
3. It must have no writing or mark thereon but the name and address of the person to whom it is sent, nor anything on the cover except such name and address.

Newspapers which are not posted in accordance with these regulations, are not forwarded, but are sent to the Dead Letter office and destroyed.

An extra newspaper, or a supplement to a newspaper, is deemed a distinct newspaper, and charged accordingly.

Newspapers published in the Dominion may be sent by post from the office of publication at any place in Canada at the following rates, paid quarterly in advance, either by the publisher at the post office where the papers are posted, or by the subscriber at the post office where the papers are delivered.

When the above rates are not paid in advance by either the publisher or subscriber the papers are charged 1 cent each on delivery.

It is not necessary that the commuted rate on newspapers should be paid absolutely on the first day of each quarter. The regulation is intended to be carried out with all due consideration for the convenience of the public, and it will be sufficient if the person desiring to pay the commuted rate declares his intention and offers the payment when first called at the office within a reasonable time after the commencement of the quarter; but after having made his option to prepay the commuted charge, or to pay for his papers as received one cent each, as the case may be, postmasters are not expected to alter their newspaper accounts to allow of a change until the commencement of the next quarter.

The commuted rate of payment cannot be accepted from new subscribers during a quarter for any unexpired period of the quarter.

Newspapers published in Canada, which are not posted from the office of publication, may be pre-paid two cents each by postage stamp; otherwise they will not be forwarded, but sent to the Dead Letter office and destroyed. Papers of this class are termed "Transient Newspapers."

The newspapers for each office also should be made up in strong paper in a separate parcel which should be plainly addressed.

When the numbers of a newspaper published in Canada, or in either of the other British North American Provinces, or in the United States, and issued daily, have remained in a post office in Canada uncalled for during two weeks; of a newspaper issued semi-weekly, or tri-weekly, during three weeks; of a newspaper issued weekly, during one month; and of a monthly periodical during two months, or when such newspapers and periodicals have been refused to be taken by the party to whom addressed, the postmaster is instructed to notify the respective publishers in the proper form, which is to pass free of postage. If the newspaper or periodical continues to arrive after the notice has been sent, the postmaster is instructed to notify the publisher in the same way a second time, specially calling his attention to the first notice.

To enclose a letter, or any writing, or to make any written marks to serve the purposes of a letter, or to enclose any other thing (except publishers' accounts and receipts, as before mentioned) in a newspaper posted to pass as a newspaper, is a misdemeanor. Book and Newspaper Manuscripts and Printers' proofs.—In Department Order No. 65, dated 24th
or. 1863, permission was given for Book-Manu-
script, and Printers' Proofs, whether corrected or
not, to pass at the printed matter rate of one cent
ounce, and it now appears to be necessary
to explain that by Book-Manuscript, was
meant the written sheets of any Book intended
for publication, and the intention was to encour-
age literary productions, by affording facilities
for Authors to send and receive such matter to
and from their Publishers by Post. Printers'
proofs are the printed impressions taken by a
printer, for correction or examination, of any
matter passing through his Press. By News-
paper Manuscript is meant written articles (not
including advertisements) intended for insertion
in a newspaper or periodical, and addressed to
the editor or publisher thereof for insertion.
Under former regulations the written marks
correcting such proofs rendered them liable
to letter postage when sent by Mail, and the
intention of the Department Order referred to
was, to relax the rule in favor of such proofs,
and allow them when corrected, to retain their
character as printed matter, and pass at printed
matter rates of charge.

**PRINTED PAPERS, CIRCULARS, PRICES CURRENT,
and BILLS, &c.**—Printed circulars, prices cur-

by postage stamp.

cent each, to be pre-paid by stamp.

When not filled up the above forms are print-
ed matter, and liable as such to one cent per
ounce postage.

Military returns, states, and rolls, policies of
insurance, containing written figures and signa-
tures, may be forwarded as printed matter on
payment of one cent per oz.

Printed circulars are transmitted by post to

warded, however, open at the ends or sides.

are liable to letter rates of postage.

dressed to any place in the United Kingdom,
are liable to a rate of 2 cents each, which must
be pre-paid by stamp, when sent singly; when,
however, sent in packages to one address, they
pass at book rates.

Prices current enclosed in envelopes *sealed* or
unsealed are by the regulations of the Imperial
post office liable to letter postage.

Lithographed letters and circulars are allow-
ed to pass through the Post at the same rate as
printed circulars.

Parliament and Colonial Legislatures** pass to

Parcel Post" plainly written on the address.
It should be well and strongly put up, and be
legibly addressed to the post office address of the

written on the parcel, it will, if delivery should
fail from any cause, be returned from the Dead
Letter office unopened to the sender, on pay-
ment of an additional rate for the return con-

If a newspaper is published in the neighborhood, the Postmaster is, at the discretion of the Postmaster General, directed to insert this therein, provided the proprietor will give its section at the authorized rate.

Parties applying at an office for advertising letters should always ask for them as such.

Letters and papers after remaining undelivered in an office for two months are sent to the Dead Letter office, as also are all letters refused by the person to whom they are addressed, letters addressed to persons deceased.

Letters are opened in the Dead Letter office in order that they may, when necessary, be returned to the writers.

Registration.—By the pre-payment of the following fee, in addition to the ordinary postage, letters and parcels can be registered at the office at which posted :

The registration fees on letters to British
colonies and foreign countries will be found in
the tables.

Every letter or parcel containing value
ould be marked for registration and presented
the Postmaster or his clerk, and a receipt
ained therefor. On no account should it be
opped into a letter box.

When letters are registered, both the postage
and the registration fee must in all cases be
re-paid.

Books, periodicals, newspapers, circulars,
and other printed matter cannot be registered
except books addressed to the United King-
dom unless pre-paid the full letter rates, in
dition to the ordinary registration fee.

Registered letters and packets can only be
delivered to the parties to whom they are
addressed or to their order; and a receipt must
be given on the delivery of each registered
letter in a book kept by every Postmaster for
that purpose.

It should be clearly understood that the post
office is not responsible for the safe delivery of
registered letter or parcel. The registration
fee simply makes its transmission more secure, by
rendering it practicable to trace it, when pass-
ing from one place to another in Canada, from
receipt to its delivery; and when addressed
to any place in Canada to any place in the
United States, the United Kingdom, or parts
thereof, if not to its delivery, at least to the
country or port of despatch.

Postage Stamps.—Every Postmaster is re-
quired to have on hand a sufficient stock of
postage stamps, and to sell them to the public
at the rate of 1 cent, 1 cent, 3 cents, 6 cents, and 12
cents, each.

The Department has discontinued the supply
of stamped envelopes.

Under the authority of the Postmaster Gene-
ral, postage stamps are sold to certain dealers
in the principal cities to retail again to the
public, but no person other than a Postmaster,
or a dealer in postage stamps unless duly licensed to
do so by the Postmaster general under a penalty
of \$40 for each offence.

Pre-payment of letters should, in all cases
be practicable, be made by postage stamps.
A mutilated stamp, or a stamp cut in half, is
not recognized in pre-payment of postage.

A medallion stamp cannot be accepted in
pre-payment of postage separate from the en-
velope of which it may have formed a part.

British stamps, or stamps of a foreign
country, can be received in pre-payment of
postage in Canada.

On affixing the stamp to the letter, wet slightly
the corner of the envelope and the gummed

side of the stamp, and gently press the stamp
till it is firmly fixed. Stamps should be placed
on the front or address side of the letter, and
on the right hand upper corner.

Letters cannot be pre-paid partly in stamps
and partly in money: the postage must be pre-
paid either wholly in stamps or wholly in
money.

If the stamps affixed to a letter addressed to
any place in British North America be not ade-
quate to the proper postage, the letter is rated
with an amount equal to the deficiency; the
whole postage being calculated at the *unpaid*
rate, e. g. a single letter pre-paid 1 cent would
be rated 4 cents additional: a double letter
pre-paid 5 cents only would be rated 5 cents
additional.

Letters addressed to the United States, on
which stamps are affixed representing less than
the amount of postage to which the letters are
liable, are rated with full unpaid postage.

Postage stamps are received at all post of-
fices in payment of postage on unpaid letters
delivered therefrom.

*Postage Rates on certain Miscellaneous Matter
passing within the Province of Canada, or to
and from the United States.*

1. Packages of seeds, cuttings, bulbs, roots,
and scions, or grafts, may be posted in Canada
for delivery within the Province or to an ad-
dress within the United States, on pre-payment
by postage stamps of a rate of one cent per
ounce; and when received from the United
States to any place in Canada, such packages
may be delivered on payment by the person
addressed, of a like rate.

2. The limit of weight for such packages will
be one pound. No communication, whether
written or printed, must be enclosed in them;
and they must be so put up as to be easy of ex-
amination, for the purpose of verifying the al-
leged contents. If put up in bags, the bags must
be simply tied at the neck, so as to admit of
inspection; and in the case of such package,
mailed in Canada, the nature of the contents,
such as "*seeds*," "*roots*," &c., as the case may
be, must be marked on the package by the
sender, as a statement of the claim to pass
at the reduced rate above mentioned.

3. Book manuscript, and printers' proof-
sheets (whether corrected or not), maps, prints,
drawings, engravings, photographs when not on
glass, or in cases containing glass, and sheet
music (whether printed or written), may pass
in covers open at the end or sides, and provided
that no letter or other communication intended
to serve the purpose of a letter, be enclosed
therein, on pre-payment, when posted in Ca-
nada, by postage stamp of the ordinary printed-
matter rate of one cent per ounce; or upon
payment of that rate on delivery of such mat-
ter when received in the mails from the United
States.

Transmission of Patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries.

4. Patterns of merchandise and samples may be forwarded between Canada and the United Kingdom, and Denmark, France, Italy, Belgium, and the German States by the Canadian packet mails, at book-post rates, and subject to the following conditions :

A. The patterns or samples must not be of any intrinsic value ; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern ; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Departmental Order, appears as follows :

B. It has hitherto formed part of the Imperial post office regulations that "*samples or patterns must not be of intrinsic value.*" but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter nor enlarge in any way, the character of the transmissions permitted to pass by pattern post.

The special prohibition as to intrinsic value has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced ; inasmuch as every article whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C. The patterns &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck ; or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D. The rule which prohibited the transmission through the post, as patterns, of articles of cutlery, &c., has been rescinded ; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection

to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined ; and it is made a rule that any packet containing such articles which may be found to be insufficiently guarded, shall not be forwarded through the post.

The limits of weight are as follows :

If for Canada.....	24
" United Kingdom.....	24
" France.....	36
" Germany.....	8
" Kingdom of Italy.....	36
" Belgium.....	8
" Netherlands.....	16
" Portugal, Azores, and Madeira....	16
" Denmark.....	48
" Switzerland.....	48

A packet of patterns or samples sent France or Portugal must not exceed 18 inches in length, 12 inches in width or depth ; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

None of the articles named in the rule may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British colonies, and not to these places when addressed "*via France.*"

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturers' trade mark and number, and the price of the article.

Any infringement of the above regulation will render the packet liable to be treated as charged as a letter.

MONEY ORDERS.

Post offices in Canada at which money orders are issued and paid, are distinguished in the List of Post Offices by being printed in italics.

Every money order office in Canada issues money orders on every other money order office in Canada, as well as on every money order office in the United Kingdom. Every money order office in the United Kingdom issues money orders on every money order office in Canada.

MONEY ORDERS IN ONTARIO AND QUEBEC.

MONEY ORDERS ON THE UNITED KINGDOM.

The money order offices throughout the Dom-

England, Ireland and Scotland, and the

made payable in sterling money, and for
as up to £10 sterling. The terms are:

For orders up to £5, 25 cents.
" over £5 and up to £10, 50 cents.

No half cents can be introduced into orders.
No money order exceeding \$100 in amount
be granted on any office in Canada; but
postmasters are at liberty to grant two or
er orders for \$100 or for any lesser sum.—
ey cannot, however, grant two or more or-
ers for sums of or under \$30 on the same day
the same applicant in favor of the same
ree.

Tables showing the amount of Provincial
gency required for money orders issued in
anda upon the United Kingdom, in addition
the commission, and for money orders issued
the United Kingdom upon Canada will be

Applicants for money orders should always
the printed application forms, in which
ey should fill up the particulars of the order
quired. These forms are supplied gratuitously
all money order offices.

The Christian and surnames in full, and resi-
nces, both of the remitter and payee, should
furnished to the issuing postmaster. When
married woman is either the remitter or payee,
own Christian name should be given, and
that of her husband, thus—

"Mrs. Mary Smith," not "Mrs. John Smith."
If the remitter or payee be a Peer or a Bishop,
ordinary title is sufficient. If a firm, the
ual designation of such firm will suffice, such
"Baring Bros.," "Smith & Son," "Jones
Co."

Parties procuring money orders should ex-
amine them carefully to see that they are pro-
perly filled up and stamped. This caution will
appear the more necessary when it is under-
stood that any important defect in these re-
ceipts will throw difficulties in the way of pay-
ment.

Money orders, which, in consequence of mis-
prehension of the name of the remitter or
ee of payment, have been erroneously made

out, can be returned to the postmaster, and a
correct order given in exchange; a new com-
mission, however, will be charged on the cor-
rected order.

Parties obtaining money orders on Canadian
offices, can procure re-payment thereof on pre-
sentation of the orders at the office at which
issued, signing the receipt at the foot. No
order, however, can be re-paid without the
authority of the superintendent, unless pre-
sented for re-payment on the day on which it
is issued. Neither can orders on the United
Kingdom be re-paid without his special au-
thority.

When a remitter desires an order on the
United Kingdom to be paid through a bank, it
is left to his option to give or withhold the
name of the payee, or to substitute for the
name of the payee any other designation or
modification, such as "the Cashier of the Bank
of England," "the Chief Clerk of the Foreign
Office." Such orders must, however, be cross-
ed by the issuing postmaster with the name of
the bank through which the order is to be paid.

The issue of money orders on credit, or for
cheques not marked "good" by the bank
drawn upon, is strictly prohibited.

If a payee is unable to write, he must sign
the receipt at the foot of the order, in the pre-
sence of the paying postmaster, by making his
mark, to be witnessed in writing; as for ex-
ample

In cases of money orders issued in Canada,
postmasters are at liberty to accept the written
order of the payee on the order itself in favor
of a second person, if through illness or insu-
perable difficulty the payee is prevented from
presenting the order in person.

When a Canadian money order has been lost,
either by the remitter or payee, the circum-
stances must be made known to the superinten-
dent, who, under certain precautions, will
issue a duplicate.

Duplicates of sterling orders can only be
granted by the paying country. Thus the Bri-
tish post office issues duplicates of orders
drawn in Canada on the United Kingdom, and
the Canadian Head Money Order Office grants
duplicates of orders drawn in the United King-
dom on Canada.

Money orders which are not presented until
one full year after their date are considered as
lapsed orders, and cannot be paid without the
special permission of the superintendent. In
all such cases satisfactory reasons should be
given explanatory of the delay in the presenta-
tion of the order.

The Deputy Postmasters General of Malta
and Gibraltar are authorized to issue money
orders on the several money order offices in
Canada. Money order offices in Canada do
not, however, grant money orders on Malta
and Gibraltar.

Amount in Currency to be paid in Canada for Money Orders drawn in Canada on the United Kingdom, and for Money Orders drawn in the United Kingdom on Canada, from 1d. Sterling to 5s. Sterling.

1. The postmasters of the offices named will
as agents for the receipt of the money depos-
for transmission to the Postmaster-Gen-
and for the payment by the Postmaster-
General of money withdrawn by depositors.

2. Each depositor will be supplied with a
pass-book, and the sums paid in, or withdrawn,
will be entered therein by the postmaster re-
ceiving or paying the same. In addition, a di-
rect receipt for each amount paid in, will be
sent to the depositor from the Postmaster-Gen-
eral, and the Postmaster-General will issue a
receipt, payable at any Post Office Savings
Bank desired, for any sum withdrawn.

3. Every depositor's account will thus be
kept with the Postmaster-General, and a depo-
sitor may pay into his or her account with the
Post Office Savings Bank, at any of the Savings
Bank Post Offices which at the time may best
suit his convenience, and may exercise the same
privilege in drawing out money, subject only to
the obligation of producing the pass-book, in
proof of identity—whenever paying in or draw-
ing out money.

4. Interest at the rate of 4 per cent. per annum
will be allowed on deposits lying in the ordi-
nary deposit accounts, but when a depositor
has deposited \$100, he or she may request the
Postmaster-General to transfer this sum to a
special account, and will then receive certifi-
cate of such special \$100 deposit, bearing in-
terest at 5 per cent. per annum.

5. Postmasters are forbidden by law to dis-
close the name of any depositor, or the amount
of any sum deposited or withdrawn.

6. No charge will be made to depositors on
paying in, or drawing out money, nor for post-
age on communications with the Postmaster-
General in relation thereto.

7. The Postmaster-General will be always
ready to receive and attend to all applications,
complaints, or other communications addressed
to him by depositors or others, relative to Post
Office Savings Bank matters.

BILL STAMPS.

Bill Stamps.—Are distributed for sale very
generally throughout the Post Offices in the
Province: these Stamps are of various values
from 1 cent upwards. Bill Stamps cannot be
used in pre-payment of Postage.

Law Stamps.—Are also for sale at the prin-
cipal Post Offices in Lower Canada.

General Regulations.—Postmasters and cer-
tain other officers of the department are ex-
cluded from serving on juries or inquests. This
exception applies to mail carriers, but not to
messengers appointed and paid by postmasters.
Postmasters are not authorized to give credit
for postage: if they do so it is entirely at their
own risk.

A letter once posted becomes the property of
the person to whom it is addressed, and must
be forwarded according to its direction. On
no application, however urgent, can it be
delivered back to the writer, or to any other
person.

A letter addressed to a firm may be delivered
to any member of the firm. If addressed to
several persons, it may be delivered to any one
of them.

A letter delivered to the wrong person in
consequence of his name being the same as
that of the person for whom the letter is really
intended, should be at once returned to the
postmaster from whom received, the party
writing on the cover "opened by me through
mistake," and signing his name thereto.

Letters posted without any direction or ad-
dressed so imperfectly that they cannot be for-
warded to their intended destinations, and also
unpaid or insufficiently paid letters addressed
to countries to which letters cannot be sent
without the postage is prepaid, are returned to
the writers through the Dead Letter office.

No information can be given respecting let-
ters which pass through a post office except to
the persons to whom they are addressed.

Parties desiring their letters and papers to
be re-directed should send an intimation to
that effect, in writing, to the postmaster of the
office from which the letters and papers are to
be re-directed.

Postmasters are allowed to re-direct letters
to the known places of residence of the parties
to whom they are addressed, after allowing a
reasonable time to elapse without their being
called for.

Letters and papers are not subject to any ad-
ditional charge when re-directed from one post-
office in Canada to another post-office in Ca-
nada.

Postmasters are instructed not to receive any
letter or packet which there is good reason to
believe contains glass or anything likely to in-
jure the contents of the mail bag or the person
of any officer of the post-office.

The articles manufactured by us are under one general superintendence during the whole process of manufacture, beginning with the raw hide, and ending with the finished boot and shoe. By this arrangement we secure uniform quality throughout.

As evidence of the real merit of our manufactures a Medal was allotted us at the Dublin Exhibition of 1853.

To occupy the extensive facilities which we have at our command for the manufacture of Boots and Shoes, it is necessary that we should send Goods to all sections of the Province, however remote; every inducement allowable in commerce will be granted to this end.
